

Indian Institute of Management Bangalore
PGP Admissions 2008

Table One gives the CAT Test Registration Number of the 300 candidates who have been made an admission offer to the Post Graduate Program in Management for the batch of 2008-10 at the Indian Institute of Management Bangalore (IIMB) for the 251 seats available in the General, SC, ST and PWD categories. The numbers of offers made in each category are: 214 in general category (including all OBC candidates who qualified in the general merit list), 53 in SC category, 24 in ST category and 9 in PWD category. The 49 extra offers covers for 137 of these candidates who have an offer from another IIM.

Table Two gives the CAT Test Registration Number of the 25 candidates in the OBC category who have been made provisional admission offers subject to their providing documentary proof at the time of acceptance that they do not belong to the “creamy layer” of OBC as defined by the Government. Any attempt to provide false information in this regard will result in cancellation of the offer. The provisional admission offer made to candidates listed in Table Two will be void if they belong to the “creamy layer”.

All these 325 candidates have been couriered/mailed the IIMB admissions package on May 1, 2008. Candidates must courier their acceptance (along with a DD of Rs.30000 payable to Indian Institute of Management Bangalore and required documents) to the Admissions Office at IIMB to reach by Monday, May 19, 2008. The admissions package contains an information brochure on IIMB, the bank educational loan application forms and the IIMB financial aid application form for those who require a fee waiver. The second fee installment for the first term is due by Monday June 2, 2008. Candidates who are unable to pay the first or second fee installment in time for any reason may contact the Admissions Office at IIMB immediately. Candidates who are unable to accept the admission offer are requested to inform their decision to the Admissions Office at IIMB at the earliest to enable the early clearance of waitlists.

All admitted candidates are required to register for the Post Graduate Program at IIMB on Monday June 23, 2008. The IIMB hostel facilities are available from June 21, 2008. Candidates called for the three week preparatory program are required to register on June 2, 2008. There is no tuition fee or hostel fee payable during the preparatory program – however IIMB mess charges will have to be paid on actual.

Given in Table Three is the CAT Test Registration Number of the 80 candidates who have been waitlisted by IIMB - 50 in general category, 16 in SC category, 7 in ST category and 7 in PWD category. Waitlisted candidates can check their waitlist status with waitlist rank in their category on the admissions page of the IIMB website. These candidates have also been couriered letters on May 1, 2008 stating their waitlist rank. As soon as seats are available in a category, waitlisted candidates will be made final admission offers strictly in rank order within their category. Please note that such an offer may have to be accepted at short notice. Waitlisted candidates are therefore advised to keep the initial amount payable (Rs.30000) available for payment at short notice. IIMB may also release a second waitlist in any category.

Please note that this document is posted on the IIMB website only for providing immediate information to both selected and waitlisted candidates given the delay in declaring results this year. This document has no legal validity. The offer letter that has been mailed to the candidates on May 1, 2008 is the only official document from IIMB to the candidate. Candidates seeking clarifications on any matter relating to the admission process can contact the IIMB Admissions Office on 080-26993013/3017/3188.
