

CEIC

Term of Use

1. IDSIPL hereby grants to Subscriber a non-exclusive and non-transferable limited license to access and use the Service within its own organization in only those locations set forth in Exhibit A only for so long as this Agreement is in effect, subject to the terms and conditions set forth herein.
2. Use of the Database information shall be for Subscriber's internal purposes. Subscriber may download or copy information from the Database for customization, manipulation and publications (on a no-fee basis).
3. Information downloaded or copied from the Database shall be for internal use within Subscriber's organization and, with respect to limited portions of the information, for research, analysis, publication and presentation purposes.
4. Each copy of the Software and Database may be used only in conjunction with a single authorized workstation or terminal, or, in the case of server network, in the designated server network. Subscriber shall not attempt or permit others to attempt to copy, modify or duplicate the Software or Database.
5. The Subscriber is allowed to install the Software and Database in the prescribed number of PC or workstation in the Subscriber's office location(s) set forth in Exhibit A. Subscriber shall take all reasonable precautions to safeguard the service and to prevent any unauthorized access hereto.
6. In case the Software and the Database are installed on a mobile PC, the Subscriber will be responsible for ensuring that the Software and Database will not be operated by any party other than the designated employee of the Subscriber and the Database information will not be accessed by any third party.

Restriction

1. Subscriber shall not, rent, transfer, publish, duplicate or in any way distribute the Database information or allow third party's access to the Database and/or Software.
2. the Subscriber's use of the Service will not infringe or violate any patent, license or other property or proprietary right of any third party. The information contained in the Database is obtained from sources considered to be reliable and IDSIPL will use its best endeavours to correct significant errors in the Database, but IDSIPL and / or its principal / third-party suppliers shall have no liability whatsoever for errors, omissions, timeliness, accuracy or completeness with respect to the Database or its delivery, regardless of the causes.
