Sage Research Methods

Terms of Use:

1. User are only authorized to visit, view and retain a single copy of the pages of this Site solely for user own individual, noncommercial use.
2. User may incorporate insubstantial portions of materials in an amount not to exceed ten percent (10%) of any individual book or journal issue where these are included in a database, and not more than five percent (5%) of the total database content retrieved from the Site into user materials, but user may not duplicate, download, publish, modify or otherwise distribute any material on this Site for any purpose other than user own individual, research use unless user have received prior specific authorization in writing from the SAGE Permissions Department(http://www.sagepub.com/permissions.nav)

Restrictions of Use

Except as expressly permitted by this Agreement or user separate Access Agreement (if applicable), user may not, nor may user permit or authorize or encourage others to:

1. Copy any portion of the Site or Services;
2. Use the Services to provide a third party access to the Services, or any portion thereof, absent our express written permission (http://www.sagepub.com/permissions.nav);
3. Use the Services to develop any database or other information
4. Use the Services to develop any database or other information resource for internal use; or
5. Create compilations or derivative works of the materials on the Site or available through the Services.
6. Store in any information retrieval system, transfer, publish, distribute, display to others, broadcast, sell, or sublicense the Services, or any portion of the Site or the Services;
7. Use the Services to develop any database, database service (online or otherwise), or other information resource in any medium (print, electronic or otherwise, now existing or developed in the future) for sale or license to or use by others;
8. Remove, disable, or defeat any functionality in the Services designed to limit or control access to or use of the Services or to protect the rights of SAGE or its licensors as copyright owners;
9. Use the Services for the benefit of any third party, including without limitation, in an outsourcing or timesharing arrangement, or in the operation of a service bureau;
10. Sell, lease, sublicense, distribute, or otherwise transfer the Services to any person, firm, or entity;
11. Decompile, disassemble create or attempt to create, by reverse engineering or otherwise, the source code from any object code accessible as part of the Site or Services; or
12. Use, copy or otherwise access any restricted-access portion of the Site, the Services or any content or materials contained in any such area of the Services for which user have not been licensed and invoiced by us. If for any reason, user access or permit others to access any such content or materials which have not been licensed to user,
these terms and conditions apply to user use of such content and materials and user agree to pay all applicable charges.

**PROHIBITED ACTIVITIES.**

Users are responsible for all of user activities and those of others user permit to access the Site and the Services through user facilities. User may not violate or attempt to violate the security of the Services. Accordingly, user shall not

(a) circumvent or attempt to circumvent any security measures designed to control access to the Site or Services or in any way obtain or attempt to obtain unauthorized access to or use of any elements or portion of the Services;

(b) Access data or materials not intended for user;

(c) Log into a server or account which user are not authorized to access;

(d) Attempt to probe, scan or test the vulnerability of a system or network or to breach security or authentication measures without proper authorization;

(e) use this Site or the Services to infringe the intellectual property rights of others in any way – be advised that it is our policy to terminate the accounts of repeat infringers of copyright;

(f) use this Site or the Services or make any attempt to penetrate, modify or manipulate this Site or the Services or any of SAGE’s hardware or software in order to: invade the privacy of, obtain the identity of, or obtain any personal information about any third party;

(g) attempt to interfere with service to any user, host or network, including without limitation, by submitting any harmful code, Trojan horse, worm or virus to the Services, any denial of service attack, overloading, mail bombing or attempted crashing of the Services or the software or hardware used in providing the Services;

(h) Spoof or otherwise impersonate any individual or entity, or forge, delete or alter any part of TCP/IP packet header information in any e-mail or other posting;

(i) Create "deep links" into pages other than the front page of the Site; or

(j) Assist or permit any persons in engaging in any of the activities described above.

**Governing Laws:**

All content included on this Site including, without limitation, text, graphics, logos, button icons, images, audio clips, digital downloads, data compilations, and software, the compilation of all content on this Site, and all software used on this Site are the property of SAGE or its content suppliers and protected by United States and international copyright laws.

**Third Party Rights**

Use the Services for the benefit of any third party, including without limitation, in an outsourcing or timesharing arrangement, or in the operation of a service bureau is prohibited.
